

ANGKOR WAT INTERNATIONAL HALF MARATHON

An impressive 3500 people (including more than 50 employees from our Hong Kong, China, Singapore and Japan offices) participated in the Angkor Wat International Half Marathon on Sunday 5th December 2010.

All competitors braved the heat and ran for a great cause in this annual event, which raises money for the victims of landmines. Runners completed either a 10km or 21km half marathon course with a special mention going to Dominic Dunn and Steve Parkes from our Hong Kong office, both running a great time of less than 1 hour and 50 minutes in the 21km division.

A great day was had by all and we look forward to taking part and supporting this worthy cause again in 2011.
