Speaker Profile

Dai Daohua received his BA in Economics from Shanghai International Studies University in 1990, and his MA in Economics from Kansas State University in 1996. From 1997 to 2001, he worked as an Investment Analyst for Friedberg Mercantile Group, a hedge fund headquartered in Toronto, Canada. His main responsibility was to formulate investment and portfolio strategies and manage money for clients. In 2001, he joined Bank of China (Hong Kong), and currently works as the bank's Senior Economist, covering Hong Kong and China as well as global markets. He has obtained the CFA charter.
